Summary

BTech Computer Science student building AI-based developer tools and scalable web systems using Next.js, FastAPI, and PyTorch, with a focus on performance, usability, and solving real-world problems through projects and hackathons.

Selected Projects

- **MeowTV**: Developed a modern streaming platform using **Next.js and TypeScript** to provide seamless access to anime, cartoons, and TV shows. [GitHub Repo] [Live Demo]
- **Meow CLI**: Engineered a **terminal-based** version of MeowTV for fast content delivery directly from the command line using streamer architecture. [GitHub Repo]
- **CodeFlux**: Built an intelligent AI routing gateway with AI-based **code analysis** and version management for advanced code intelligence. [GitHub Repo]
- **Dora Music**: Designed a **web-based music player** utilizing a Glassmorphism UI, infinite radio features, and high-quality audio streaming. [GitHub Repo] [Live Demo]
- **Attendance Tracking Application**: Created a custom API using **BeautifulSoup (bs4)** to scrape subject-wise attendance data and hosted the service on Vercel. [GitHub Repo] [Live Demo]
- **GitDude:** Built an AI-powered **CLI tool** that converts natural language into Git actions (commit, review, recovery, PR generation) with **multi-LLM support and a rich terminal UI**, improving developer workflow efficiency. [GitHub Repo]

Skills

- **Programming Languages**: Python, PHP, JavaScript, TypeScript, C++, C, R
- **Data Science & AI**: Data Analysis, LLMs, NumPy, Pandas, Scikit-Learn, PyTorch, Matplotlib
- **Backend & Databases**: FastAPI, Flask, Node.js, MySQL, PostgreSQL, Redis, Firebase
- **Frontend & Tools**: React, Vite, HTML5, CSS3, Selenium, Postman, Git, Docker, Nginx
- **Cloud & Deployment**: Vercel, Netlify, Render, Oracle Cloud Infrastructure

Certifications

- **Oracle Cloud Infrastructure 2025 Certified Generative AI Professional**
- **Python Development & Data Science**
- **PHP for Beginners**: The Complete PHP MySQL PDO Course
- **Postman Flows** – Beginner
- **Introduction to IoT**

Education

- **LNCT Group of Colleges** | ***Bachelor of Technology (BTech), Computer Science***
  - **September 2024 – September 2028 | CGPA: 8.5/10**
- **DAV Schools Network** | ***Class 10 & Class 12 (PCM)***
  - **Completed March 2023 | Percentage: 80%**
